7 September 2005

Dear Peter,

On behalf of the Pinckney Ward at St. Georges, whose charitable fund is administered by the Charitable Foundation, in liaison with Frances Small, the Fund Adviser, I would like to thank you most sincerely for your donation. In fact I make the total of the cheques £24,207 so the calculation you provided will be slightly out.

Apart from yourself for organising such a magnificent effort, I would also like to thank your fellow runners Richard Armes, Peter Ireland, Guy Chalkey, Dave McAvinchey, David Nash, Jonathon Pope, Gareth Walters and Laurent Benarroch. I am sure that you have all put yourselves through the pain barrier in achieving this remarkable amount and I hope that you are all feeling much fitter as a result. My sincere thanks also go to Morgan Stanley for their generous matching offer of a further £18,000.

Your gift aid form was enclosed with your donation and a claim will be made at the end of the September quarter at which time the Pinckney Ward Fund will be credited with the further £5,101, subject to recalculation. I have copied Frances Small with this letter and she will see these funds coming through the next time she receives a Fund Statement.

Finally my particular thanks to yourself for the time and effort you must have spent organising your team, dealing with all the admin. side of it and liaising with such people as myself. I hope that in a future visit to St. Georges or through contact with Frances you will be able to see how the money you have raised has been used.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "Peter Nutting". The signature is written in a cursive style with a large, sweeping flourish at the end.

Peter Nutting
Charitable Foundation Accountant
